

87th Northern Province Council Achievement Committee – Final Report Tyrone E. Harge – Chairman

The Province Achievement Chairman, Tyrone E. Harge gave the committee report to the Northern Province Board of Directors and the General body on April 6, 2019

We are doing better with the number of competitive chapter petitions submitted but we did not receive any petitions for the John D. Russell - Undergraduate Brother of the Year nor the Ronald R. Young - Alumni Brother of the Year.

We know, both Alumni and Collegiates are doing great things within their chapters. We ask that you take the time to fill out and submit a petition. At the very least, the chapter will have a documented archive of the year. We still have a goal of having EVERY chapter in the Northern Province represented on the committee.

For the 87th Province Council we continued the established program where the utilization of our electronic and digital resources was increased. All Northern Province petitions were submitted electronically by the due date of March 24, 2019. They were put into a Dropbox and only the Northern Province committee members were able view them to score.

Awardees voted during the 86th Northern Province Council were presented with their awards during the 87th Northern Province Council Public Meeting. The winners, with each Paul Waymond Caine winner presenting a two-minute vignette, were:

Paul Waymond Caine Alumni Chapter of the Year (Small) – Saginaw Alumni

Paul Waymond Caine Alumni Chapter of the Year (Medium) – Lansing Alumni

Paul Waymond Caine Alumni Chapter of the Year (Large) – Southfield Alumni

Edward G. Irvin Undergraduate Chapter of the Year – Sigma Chapter

John D. Russell - Undergraduate Brother of the Year – Kendall Smith – Sigma Chapter

Ronald R. Young - Alumni Brother of the Year – Tyrone Sanders Jr. – Lansing Alumni

This year, all Chapter Polemarchs were solicited to provide names of brothers who will represent their chapter on the Province Achievement Committee. Name submission was due on March 1, 2019.

This is a Conclave year. Therefore, the 2019 winners' Chapter of the Year petitions, with Province approval will be eligible for National Achievement Awards per the updated Constitution and Statutes, two weeks after our 87th Northern Province Council in Kalamazoo. That due date is April 20, 2019.

The Northern Province will submit a petition for Former Grand Board Member, 19th Northern Province Polemarch E. Kennedy Glass for the the Elder Watson Diggs Award. The petition is complete and will be submitted timely per the Constitution and Statutes.

The Achievement Committee met on Saturday April 6, 2019 to review and finalize scoring for each petition. We also agreed to begin **enforcing strongly**, future petitions that fail to meet the minimum standard of (1) being typed (2) having appropriate written signatures and (3) submit in a PDF format. The committee will investigate adding presentation points to the NORTHERN PROVINCE scored submissions.

The awardees announced at the 87th Northern Province Council Closed Banquet with plaques being presented at our 88th Northern Province Council Public Meeting in Detroit were:
